Full-Time CRNA Opportunity

Description

Griffiss Surgery Center is THE premier, state-of-the-art surgical services facility in the Mohawk Valley. Located in scenic Rome, New York, our facility provides world class multi-specialty services including ophthalmology, gastroenterology, gynecology and plastic surgery services to all of Central New York. Since first opening in 2011, our facility continues to grow each year, expanding our facilities capabilities and leveraging cutting edge technology to bring the most innovative surgery solutions, to our region.

As part of our anesthesia unit, you will join a team of highly skilled medical professionals, including 3 MD, 5.5 CRNA's, and an experienced and diverse group of leading surgeons. With a current staff of 55 and 11,000 procedures completed each year, you will be part of a growing, high technical health care facility, that prides itself on providing complete, compassionate and skilled patient care, in a collaborative and hospitable work environment.

We place the highest priority on employee culture and workplace environment.

ALL OF OUR CRNAs ARE DIRECT HIRE.
